Privacy Policy for Valinity

At Valinity Labs S.A.S, accessible from valinity.io and the Valinity app, one of our main priorities is the privacy of our visitors. This Privacy Policy document contains types of information that is collected and recorded by Valinity and how we use it.

This Privacy Policy applies only to our online activities and is valid for visitors to our website and mobile app with regards to the information that they shared and/or collect in Valinity. This policy is not applicable to any information collected offline or via channels other than this website.

Consent

By using our website and mobile app, you hereby consent to our Privacy Policy and agree to its terms.

Information we collect

We collect usage data for the purposes of analytics and error reporting. This information may include pages viewed, IP addresses, and types of devices used. No personal data is collected, as we do not ask for users to disclose any such information when downloading or creating an account with Valinity.

Log Files

Valinity follows a standard procedure of using log files. These files log visitors when they visit websites. All hosting companies do this and a part of hosting services' analytics. The information collected by log files include internet protocol (IP) addresses, browser type, Internet Service Provider (ISP), date and time stamp, referring/exit pages, and possibly the number of clicks. These are not linked to any information that is personally identifiable. The purpose of the information is for analyzing trends, administering the site, tracking users' movement on the website, and gathering demographic information.

Advertising Partners Privacy Policies

You may consult this list to find the Privacy Policy for each of the advertising partners of Valinity.

Third-party ad servers or ad networks uses technologies like cookies, JavaScript, or Web Beacons that are used in their respective advertisements and links that appear on Valinity, which are sent directly to users' browser. They automatically receive your IP address when this occurs. These technologies are used to measure the effectiveness of their advertising campaigns and/or to personalize the advertising content that you see on websites that you visit.

Note that Valinity has no access to or control over these cookies that are used by third-party advertisers.

Third Party Privacy Policies

Valinity's Privacy Policy does not apply to other advertisers or websites. Thus, we are advising you to consult the respective Privacy Policies of these third-party ad servers for more detailed information. It may include their practices and instructions about how to opt-out of certain options.

You can choose to disable cookies through your individual browser options. To know more detailed information about cookie management with specific web browsers, it can be found at the browsers' respective websites.

GDPR Data Protection Rights

We would like to make sure you are fully aware of all of your data protection rights. Every user is entitled to the following:

The right to access – You have the right to request copies of your personal data. We may charge you a small fee for this service.

The right to rectification – You have the right to request that we correct any information you believe is inaccurate. You also have the right to request that we complete the information you believe is incomplete.

The right to erasure – You have the right to request that we erase your personal data, under certain conditions.

The right to restrict processing – You have the right to request that we restrict the processing of your personal data, under certain conditions.

The right to object to processing – You have the right to object to our processing of your personal data, under certain conditions.

The right to data portability – You have the right to request that we transfer the data that we have collected to another organization, or directly to you, under certain conditions.

Children's Information

Another part of our priority is adding protection for children while using the internet. We encourage parents and guardians to observe, participate in, and/or monitor and guide their online activity.

Valinity does not knowingly collect any Personal Identifiable Information from children under the age of 18. If you think that your child provided this kind of information on our website, we strongly encourage you to contact us immediately and we will do our best efforts to promptly remove such information from our records.
